Doug finds this list very helpful and has asked that I keep maintaining it. Please report out on the topics on this list during SLT meetings, if there is something to add. The list is intended to track the issues of most importance/interest to Doug, not everything he is involved with. I will send updated lists out on Thursday's. Changes from week to week will be in bold and once something is crossed out it will be removed from the following weeks update.

Thanks for your help-

Deb
